Forecast for Wednesday 12 May 2021

Weather: A cloudy morning with some outbreaks of rain, occasionally heavy with some summit sleet and hail. Brightening up this afternoon but still with the odd shower, although the Angus hills and Cairngorms may stay overcast.

Chance of cloud free mountain/hill tops above 800m: 50%, best chance of breaks in the afternoon in the south and west.

Visibility: Poor in extensive low cloud down to 450 metres in the morning, this breaking and lifting on to the higher tops through the afternoon. However the Angus hills and southern Cairngorms may hang on to low cloud right through the day.
